Join Dating-Connection.com - Find Love, Romance and Make New Friends! ^[1]

When you join us for free, you can create your own pages, and even quizzes and tests for potential dates. You can create your own blog. You can upload photos and videos and audio to share, and decide who you want to share them with. You can send and receive private messages, put others on your Friend list (visible to all) or Dating list (private), and ask to be put on theirs. You can create your own Guestbook and allow others to write on it. You can write articles and blog and join one of the forums, write your own pages in one of our Books, join one or more of the Groups of friends here that share common interests, and even allow others to add to or modify your content if you give them permission! Welcome to Dating-Connection. Enjoy!
